 WIRE & CABLE**

■ **Armored
 Electronics Products**

General Cable now offers the capability to armor virtually any Carol® Brand Electronics cable.

This rugged exterior and protection allows for the installation of almost any Electronics cable in markets with the toughest and most rigorous building code requirements. Cables placed in armor are not only acceptable for use in Riser applications, but according to NEC Article 300.22(B), these cables are acceptable in Plenum applications as well.

The process to convert a standard Carol Brand Electronics cable to an armored cable is simple and is explained on the back of this bulletin. All you really need to know is:

- 1) which cable you want to armor,
- 2) whether you want steel or aluminum interlock armor, and
- 3) what put-up lengths you would like to receive product on.

General Cable continues to expand its Carol Brand Electronics product offering to allow our customers to participate in more diversified markets. You can always *Demand Better...Expect More™* with General Cable Carol Brand Electronics cables. We manufacture over 1,300 standard electronic cables that we ship direct from stock, and we have the technical staff and design expertise to meet any customer cable requirement.

- Special Application Cable
 - Hook-Up Wire
 - Plenum Cable
 - Coaxial Cable
 - Microphone Cable
 - Computer Cable
- General Purpose Cable
- Multi-Conductor Communication & Control Cable
- Multi-Paired Communication & Control Cable
- Fire Alarm Cable
- Sound & Security Cable
