

Special Applications RG-6 Coax

New Product

Coaxial Cables

These dual and quad shield plenum and non-plenum cables extend Mohawk's existing product offerings to include coax capabilities. RG-6 dual shield has a foil tape and braid and RG-6 quad shield consists of a foil/braid/foil/braid design. These cables include copper covered steel conductors.

Applications

- Community Access Television Stations
- Closed Circuit Television
- Security Cameras and Security Sectors
- Broadband Cable Access Television & Video Cameras
- K-12 Education
- Healthcare
