

# Special Applications RG-11 Coax

**New Product**

## Coaxial Cables

These dual and quad shield plenum and non-plenum cables extend Mohawk's existing product offerings to include coax capabilities. RG-11 dual shield has a foil tape and braid and RG-11 quad shield consists of a foil/braid/foil/braid design. RG-11 cables offer a stronger signal, longer lengths and less loss than RG-6 cables for HDTV applications. These cables include copper covered steel conductors.

### Applications

- Community Access Television Stations
- Closed Circuit Television
- Security Cameras and Security Sectors
- Broadband Cable Access Television & Video Cameras
- K-12 Education
- Healthcare

### Plenum (White Jacket)
